PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-CEN, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

CID HoldCo, Inc. (the "Registrant") is unable to file with the U.S. Securities and Exchange Commission (the "SEC") its Quarterly Report for the three months ended September 30, 2026 (the "Quarterly Report") by the prescribed due date for such filing without unreasonable expense or effort. As disclosed in the Current Report on Form 8-K filed with the SEC on September 16, 2026, the Registrant issued an unsecured convertible promissory note (the "H Capital Note") to H Capital Ventures Management Consultancies Co. LLC and entered into the LHT I settlement effective as of September 15, 2026. The Registrant is still evaluating the accounting treatment of the H Capital Note and the settlement, and its effect on the financial statements for the quarter ended September 30, 2026. As a result, the Registrant needs additional time to complete its account reconciliations and quarter-end close procedures and to allow its auditors to complete the review of the interim financial statements. The Registrant, therefore, requires additional time to complete the Quarterly Report. The Registrant, however, expects to file the Quarterly Report within five calendar days following the prescribed due date.

PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

Edmund Nabrotzky	(303)	332-4122
(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). ☒ Yes ☐ No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? ☒ Yes ☐ No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the Registrant's reduced liquidity, the default on its note with LHT I LLC, and the related Settlement Agreement, the Registrant expects to recognize aggregate one-time charges of approximately $10 million during the three months ended September 30, 2026; although, the Registrant is still completing its account reconciliations and quarter-end close procedures such that the amount of the charges are not final and may change materially and adversely from the foregoing.
